Goal 6: Gifted and Talented students will be encouraged and challenged to meet their full educational potential.

Goal 7: The Board of Trustees, in collaboration with District Staff, Administration, Parents, and Community will provide required support and resources for the attainment of educational excellence and equity. Parents will be full partners with educators in the education of their children.

Goal 8: Migrant students will be challenged and encouraged to meet state content standards and assessments that are necessary to graduate on time and enroll in post-secondary education while receiving additional supplemental support in order to overcome the obstacles encountered due to their migrant lifestyle.

Goal 9: Our vision for technology is to have all district stakeholders involved in the teaching and learning process seamlessly integrate technology to make informed decisions and advance student achievement and technology literacy to encourage and support creative, innovative, lifelong learning.
